

Call for Jubilee: 75 years of the 31st of May

Cenacle Shrine of Bellavista, October 18, 2023

Dear Schoenstatt Family,

Greetings from the Bellavista Cenacle Shrine!

The 75th anniversary of Schoenstatt's 3rd milestone, "the May 31st Milestone" is in 2024. On that day, Father Kentenich entrusted to the Blessed Mother the desire that Schoenstatt could become fully open to the Church with all its richness, offering to all the Covenant of Love with Mary, which helps us to unite the natural with the supernatural in a vital way. Today, the years allow us to contemplate with gratitude all the life and missionary current that has emerged since that moment in Schoenstatt's history.

During this recent period, we perceive that in the heart of the Schoenstatt Family, the desire to give thanks, to celebrate, and to project all this great stream of graces has been growing. The motivation to update and enrich the scope of this milestone with new background information and documents that have been emerging around this stage of our history has grown as well.

That is why, as the Schoenstatt Family of Chile, with the acknowledgement and approval of the International Presidium, we want to **convene a pilgrimage and celebration on May 31st, June 1st, and June 2nd, 2024**, inviting all pilgrims from Chile and the rest of the world to become part of this jubilee celebration.

During these jubilee days we would also like to give the Shrine of Bellavista the Unity Cross that was stolen some time ago. We will be inviting you during this time to join us in prayer and in contributing to the Capital of Grace for its spiritual conquest.

We will be in contact to continue inviting you to walk together this path towards the Jubilee,

Let's go together in one another!

United in the Covenant,

Fr. Diogo Barata,

National Presidency of Schoenstatt Chile

Fr. Gonzalo Illanes,
